

We just wanted to say a BIG THANK YOU to the staff and particularly your drivers for delivering our food supplies as normal in this difficult weather. Well done!
Tracey Cahill – Merryfield House Nursing Home

On behalf of everyone at Townsend House I would like to thank you for delivering our order not only of the planned day but before 8am. Please send special thanks to your driver as he was extremely cheerful and helpful, under such severe weather conditions. Many thanks.
Valerie – Townsend House

Well done to everyone and thanks.
Joy Warren – Paternoster House

Thank you for your snow email.
Sarah Morant – Gloucestershire Enterprise

I wanted to tell you how brilliant the Creed delivery man was this morning. He had to make many trips up and down the hill because he could not drive into the car park. We did reward him with a nice breakfast and a cuppa and I contacted Creed and told them his name. I also wanted to tell you because we are quick to complain, so credit must be given when it is due.
Vivienne Smith – Castle View, Osjct

Your proactive approach to informing customers about your services during this difficult period is very much appreciated and I felt it was important to acknowledge it. Thank you.
Jayne Cross – Completelink Ltd

Happy new year.
